It is important that students remember that whilst on a College visit they are still part of the College and are representing the College and themselves. Students are still governed by the Shrewsbury College's disciplinary policy and code of conduct and are expected to behave in an appropriate manner. Students need to be aware that their place on any visit is not a right and needs to be earned. Consequently, poor behaviour may lead to a place on a visit being cancelled. This remains the situation even immediately before a visit when visit payments may have been made; this may have an implication on refunds if costs to the College have already been incurred.

It is now possible to make payment for this visit which can be done via REMs Pay. Deadline to secure a place is **25th September 2026** with an initial deposit of £300 (This is a **nonrefundable** deposit).

The payment Schedule will be as follows:

	Amount	Due Date*
Non-refundable Deposit	£300	25th September 2026
